"It is an honor and a pleasure to celebrate the achievements of the scholars, to work with the evaluators as they select the student most worthy of the award. The root of this success would not be possible without the donors and the legacy of the honored. The stories of these amazing students are memories for the future, forever." Krisan Steiger – Goodness Advocate / Moline Foundation

President/CEO of the Moline Foundation Paul Plagenz says, "The Moline Foundation is honored to partner with many generous donors whose philanthropic wishes are to help area youth with their academic and career aspirations. Congratulation to the recipients and best wishes."

New this year is a ceremony to celebrate the scholars:
