

The Moline Foundation

Spring's Promise

Greetings,

With the arrival of warmer weather and longer hours of daylight, many of us start making plans. It may be yard work, gardening, travel, and visiting with friends, but we all focus on what lies ahead in the upcoming year.

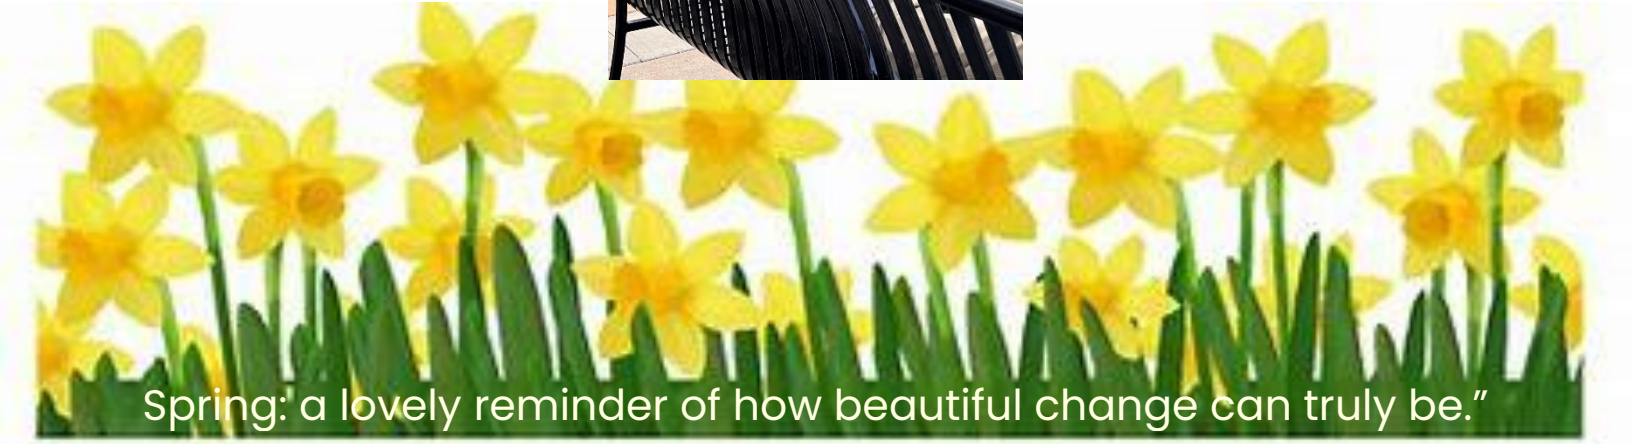

One group busy planning for this year and the many years ahead are high school seniors. Besides a list of accomplishments, every scholarship applicant shares enthusiastic thoughts and thorough details on their future lives. Their aspirations are truly inspiring.

Please continue reading about one recently established award, the Ronald Inskeep Scholarship. Their story makes me even more appreciative of the many generous donors who have created a scholarship to honor someone very special to them and financially support our area youth's dreams and plans.

Best regards,

Paul

Spring: a lovely reminder of how beautiful change can truly be."

Spring = Scholarships + Baseball

The inspiration behind the Ronald Inskeep Scholarship

Ronald Inskeep, a Moline High School 1968 graduate, was enthusiastic about baseball. Numerous hours were spent enjoying his sons and brothers playing for the Maroons. Ron retired after 30 years from Plumbers & Pipefitters Union Local 25. Both baseball and this trade are significant to this scholarship. Because of his love for baseball, a senior at Moline High School who plays on the Maroons baseball team will be awarded a scholarship to attend the college or trade of their choice. His favorite pass time was spending time with his grandkids, fishing, and watching the Chicago Cubs.

"Our family is overjoyed to partner with the Moline Foundation and Moline High School to better the lives of young athletes in his honor. His legacy will live on through this work that our family is so very proud of." Justin Inskeep (son)

To Sandy and her family, his legacy will live on, and each year Ron's story will be shared again because of the goodness you gave in honor of Ronald Inskeep. His love for the sport will continue to reach players at Moline High School for years.

"Ron always treated me like family. I will always remember his smile and his kindness. Peace to you all." Michael Eskridge (friend of the family)

The lucky young senior being awarded this year with the Ronald Inskeep Scholarship is Brock Dzekunskas. Game Time! Good luck, Maroons, in honor of Ron.

Reasons Scholarships Matter:

- Recognize a student's accomplishments
- Reduce student debt
- Free-up time for studying
- Assist equitable outcomes
- Support student performance
