

Moline-Coal Valley Schools
D.A.R.E. Scholarship
Drug Abuse Resistance Education

D.A.R.E. is a program that teaches students decision-making for safe and healthy living. Part of that decision-making is continuing education. This scholarship provides that opportunity to students interested in continuing their education after graduation.

“Launched in 1983, D.A.R.E. is a comprehensive K-12 prevention education program taught in thousands of schools in America, as well as many other countries. Taught by highly trained law enforcement officers, D.A.R.E. Education Programs deliver science/evidence-based curricula that teach students good decision-making skills that will help them lead safe and healthy lives and cope with high-risk circumstances including drugs, alcohol, violence, bullying, and internet safety.” D.A.R.E.
