

A photograph showing two men in a room. One man, with curly hair and a beard, is pointing at a document on a piano. The other man, seen from the back, is looking at the document. The document appears to be a score or a report. The scene is lit with warm, golden light.

**Your
Philanthropic
Goals in
Action**

Your giving is personal, a statement of your beliefs, a vision for the change you want to see in the community.

Two simple reasons to work with the Moline Regional Community Foundation - personalized service tailored to your needs and localized expertise.

Personalized Service

The staff are ready to meet with you, your family, and professional advisors to learn your story and reason for giving.

Spending time with you to choose the right type of fund and discuss the various ways to financially support your fund is our highest priority.

Understanding your philanthropic goals, your legacy, and helping put this into action makes our community a better place.

Localized Expertise

For almost 70 years, the Foundation has been making grants to many of the same nonprofits and causes you support.

The staff is here to help answer questions about the needs of our community and help guide you to maximize your philanthropic impact.

As a nationally accredited community foundation with local oversight and community representation, the Moline Regional Community Foundation puts our donor's philanthropic dreams first.
